Elevators Etc is committed to being the best, most reliable, small business elevator/escalator company in Southern California, with big business results.

COMPANY OVERVIEW

Elevators Etc is a full-service, Small Business Enterprise, Certified Qualified Conveyance Company (CQCC), by the State of California. We provide maintenance, repair, modernization and new construction of elevators and escalators throughout the greater Los Angeles area.

Elevators Etc delivers superior customer service using highly trained and experienced Certified Competent Conveyance Mechanics (CCCM) and IUEC Local 18 members. Jason Babcock, President, has worked in the elevator industry for 26 years. He's been employed by the largest elevator companies, and is highly trained and skilled in the trade.

CORE COMPETENCIES

- Tailored preventative elevator or escalator **maintenance** for all brands of equipment
- Efficient and cost effective **repair**, for both small and large scale projects
- Innovative elevator and escalator **modernization** capabilities
- Eco-Friendly strategies using **sustainable** materials to meet LEED/green standards
- **Escalator cleaning** to ensure long-term use of equipment, and user safety

RECENTLY COMPLETED PROJECTS

- **Cal Tech, Traction Modernization:** Complete replacement of hoist machine, controller, door equipment, door panels, fixtures and cab interior.
- **Ontario Airport, Hydraulic Elevator Modernization:** Complete replacement of controller and fixtures.
- **Woodland House Apartments, Complete Modernization of six (6) hydraulic elevators:** Replacement of controllers, pump units and installation of over 2,400 linear feet of underground and overhead piping.
